NICHOLS, IOWA

Dedication

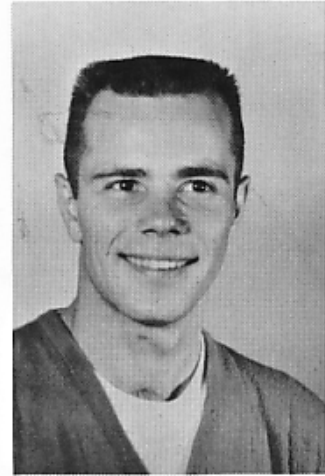

We, the class of 1960, dedicate this yearbook to Mrs. Norma Young, who, although she was unable to complete our senior Year with us, contributed so much to our high school days.

She provided us with innumerable ideas for our class parties, especially for the Junior-Senior Prom, patiently escorted us on an advertising campaign, and helped us in many other ways for this issue of the annual, but it is for her friendship, sense of humor, and fairness to all that we have missed her most this winter and spring and wish to say, "Thank you for everything."
