New Business

New Building Update – Collins had a preliminary meeting with OPN Architects regarding the HNI building. She requested that the Board approve spending \$16,000 from the Trust for a study by OPN to come up with 3 concepts for adapting the building to function as a library. The OPN architects will use the space needs study previously done by George Lawson for Gere Dimer to help with formulating their concepts. Sheets moved to spend \$16,000 from the Trust for the OPN study to determine adaptations needed to allow the HNI building to function as a library. Second by Moravec. All ayes. Motion carried.

Rate Increase for Illinois Townships and Fruitland for FY 2016-17 – Collins proposed a 2.5% increase of the rates charged for library services to the four Illinois townships and Fruitland for FY 2016-17. This figure is based on the FY 2016-17 wage increase percentage for City of Muscatine personnel.
