- Closed Meeting Memo Moving forward, the library will use the following procedure to maintain compliance with Open Meetings laws as they pertain to Closed Sessions:
  - The Request for closed session will be added to the agenda prior to public posting.
  - The closed session will be recorded. The recording will be downloaded to a USB drive by the Secretary and stored in a secure location at City Hall. The online recording will then be deleted from the online storage location.
  - The Secretary will transcribe the session in writing, seal the closed session minutes and store them securely in City Hall.
- Budget update 4.5% Increase requested: \$1238,700 to \$1,294,800. Asking for a \$5000 increase to the materials budget. The full budget request is to be sent to the Board and reviewed at the January meeting. Meeting with Nancy and Carol to discuss proposed requests. At the end of this fiscal year, there will be around \$30,000 remaining due to personnel changes, which will go towards collection development and the computer rollover fund. There was a 3% increase to the county budget from last year, which is in line with the City.

- The Fire Department donated AEDs to several departments around the city, including the Library. Training next Tuesday with staff.

- Requested that Public Works look at the possibility and costs of painting crosswalks and adding signage in the back alley.
- Received a quote from Lucas to put a security camera monitor in the staff workroom.
- The CAT Grant Plaque from the opening of the building will be arriving soon. It will hang in the East Entrance
- Kraig Reed was approved by the council. He will come in tomorrow for orientation and will attend the January meeting. Jon and Nancy leave at the end of June. We will start the process to fill the vacancies early.
- The first shipment of 15 boxes for Sustainable Shelves was picked up earlier today.

A. Fine Free Update - Request to approve use of Unique Management Services to recover long overdue/missing materials beginning Jan 1st, 2023
RiverShare will announce Fine Free on January 3, 2023. Musser has been looking into using Unique Management Services' Fine Free Gentle Nudge program. They are a collection recovery agency that encourages people to return long overdue materials. They claim to be revenue neutral; the amount of returned items is equal to the cost of using the program. It costs approximately \$12/patron with a \$200 set-up fee. It is a monthly subscription, and can be canceled at any time. Willing to spend up to \$1500 for a trial period. Unique Management Services does not contact juveniles, but will talk to their parents. The program will not affect peoples' credit; there are no collection agencies and they will not garnish wages. Dew moved to use Unique Management Services to recover long overdue materials beginning January 1, 2023 for a trial period of an amount up to \$1500; seconded Loconsole; Motion passed.
