Volunteer Opportunities:

Shelving Team -

This team helps to put library materials back where they belong. This role is perfect for someone who loves to organize and see all the things the library has to offer. In this role, you will need to push a book cart and stand and bend for periods of time. You will also need to have an understanding of how the library works and how items are organized.

Cleaning Team -

This team helps our amazing janitorial staff with spot cleaning, which includes dusting shelves, picking up trash, and wiping down surfaces. This role is perfect for someone who wants to make the library sparkle. In this role, you will need to be able to stand and bend for periods of time. You may be working with cleaning solutions.

Digital Team -

This team helps our archival group to digitize our huge collection of glass plate negatives. This role is perfect for someone who is excited about technology and loves history. In this role, you will need to have intermediate computer skills and careful hands.

Special Events Team -

This team helps our programming group before, during, and after events. This team may help with preparation in various ways, be on hand to help during a program, or help with clean up after a program. This role is perfect for someone who is outgoing and able to go with the flow. In this role, you will need to be crafty, able to work with the programming group, and be on your feet. This role will work more with the public.

All Around Team -

This team helps with all the little things. This role is perfect for someone who never wants the same thing twice and is always up for a challenge. In this role, you will need to be ready for anything.

If no opportunities are available, please think about joining the Friends.
